

The Winchester

data sheet

economy ● ○ ○

The Winchester is a cost effective and practical shelter that has a straightforward and minimal style.

Shelters are available in both cantilever and enclosed designs, in 2 or 3 bay formats.

The Winchester has a steel frame with a moulded GRP flat roof, reinforced with steel supports. An extruded aluminium glazing system accepts either glass or polycarbonate panels, and also includes an integrated 'Zintec' kick panel design for low level durability.

SIZE

Standard pitch sizes are 1310/1320mm for the 2 bay and 1120/1130mm for the 3 bay. Both options have a width of 1365mm.

Other sizes are available on request

1.36m Winchester
Cantilever, 1.32m Pitch, 1 x HEP

1.36m Winchester
Enclosed FL/ER, 1.12m Pitch

1.36m Winchester
Enclosed FL, 1.31 Pitch

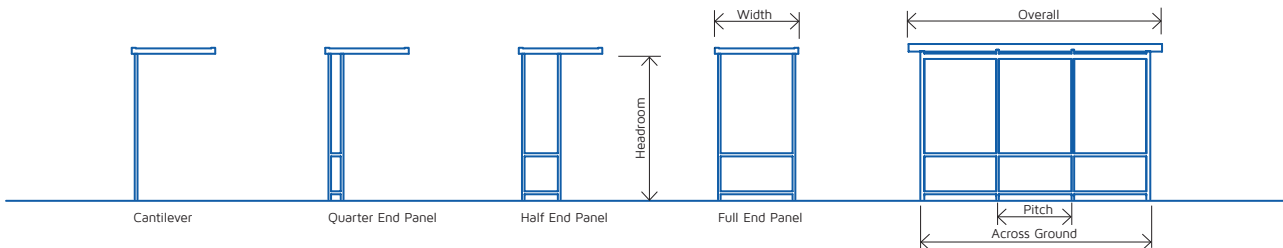

1.36m Winchester
Cantilever, 1.32m Pitch
